NEW! YOGA

Levels 2-3. This yoga class is designed to focus your attention, and direct it to common meditative places, such as breath, physical sensation, or mental mantras. The other focus will be on the physical practice by slowly awakening the boundaries of your body that day (such as energy level or injury). The heart of the practice includes a few common positions like warrior sequences, downward dog, and half moons. Towards the end, the movements will slow down with deep stretches and twists leaving your body relaxed and grounded. ***Join us for a free workshop, Thursday, January 7, 6-7 p.m. Please pre-register.***
